

**REMARKS**

In Response to the Notice of Non-Compliant Amendment, applicants resubmit a corrected section containing the amendments to the claims. More particularly, claim 2 and 3 have corrected to replace "previously amended" with the proper status identifier "previously presented." The status identifier of claim 6 is also corrected to indicate this is an original claim. The amendment of the claims is believed to be free of any defects and applicants respectfully request allowance of the claims, and passage of the application to issuance.

Respectfully submitted,
